“ Aunty Penny was such a sweet lady. I feel so Blessed that she was able to make my wedding special and memorable by having it at the Hilton Hawaiian Village Hotel where my Grandfather, Father, and Aunt (Penny) all worked at. Sending my love To Lani and family, Kawika, Keoni and her Mom and brother.... Maile (Barr, Yap) Domingo

“ I met Penny while being introduced by a mutual friend. I got to be a Pa'u rider representing different islands for either the Kam Day or Aloha week parades because of Penny. I was always impressed with her never ending efforts to help people and get things done. Whenever I saw her sitting at her desk in the Hilton Hawaiian lobby as the Social Director, she always gave me a hug and would share of the things she had to do or who she was going to help. She was always busy doing something for someone. I do not believe I have ever met anyone with a softer or kinder heart than Penny. I had moved to Maui over the last several decades and would sometimes think that when I go over to Oahu, I should take the time to call her and talk story for a bit. I am sorry that I missed that opportunity. She was the kind of person that made you feel special every time we met. Penny, I will miss you and you will always be in my heart and mind. Ke Akua Hoomaikai Oe'... my friend..
