“ Being included in someone's family is a rare thing. Why? Because you're not exactly blood. But when I met China's dad, Uncle Menny; he was that speck of rare. When I would go over the house to hang out, I would walk through the doors & he'd always jokingly say, "Don't you got homework to do woman?" Or when we would have evening prayers. Uncle would say, "China, you & lama hurry up & come down so we can do prayer. You guys need Jesus!" I miss his funny ways & his beautiful smile. One thing he taught me was that, you don't have to be blood, to be included. That's just the kind of man he was.

Uncle, Thank You for always being YOU! You fought such ah hard fight most people couldn't even handle. But Jesus needed you more there, than here. As your memories live on, know that you will never be forgotten. Fly high in the Heaven. I know the Lord is celebrating your homecoming! I LOVE YOU. REST IN PEACE UNCLE! Ia Manuia Lau Malaga. Ia E Nofo I Se Nofoga Malu I Le Lagi. Alofaaga Mo Oe Le Tama Peleina, E Le Uma. ?

To My Best Friend China-Lei, I can't imagine the hurt you must be going through. Having to lose the best thing that's ever happened to you. I pray that God continues to heal your pain. To make you realize that Dad was much needed in Heaven, than he was here. I love you with all of me & just know that whenever you feel like everything's just not what it used to be, or just a hug or a shoulder to cry on, YOU KNOW I'M ALWAYS HERE!

To Anty Lepa & Cassius, words can't fathom the thought of what you must be going through. Trying to be strong for one another, & not having to break down. Thank you for being strong for the family. Anty, I'm sorry for your loss. Uncle was a true form of a hero. He was so lucky to have had you as a wife! Taking care of him till his dying day! I love you & continue to pray for healing & comfort over you & Cash.

Soar high Uncle! Now you get to go watch all the Steelers Games; FRONT ROW! Rest In Everlasting Love. You will be truly missed. #RestInLoveUncoMenny #TualoFamily

“ Uncle Menny!!

I remember when I was small you were kind & strong! You really haven't changed a bit, as life has moved along. I knew that you were thoughtful, & today you're still the same. You're always helping others, & that has never changed! You've always been right there for us in good times & in bad. You laughed with us in happy times & cries with us in sad. You are a special Uncle to us as special as can be. More than that you've been a friend, a cherished friend to me!!

We miss you Menny!

We miss your smile your joking ways. We miss the things you used to say! & when old times we do recall it's then we miss you most of all.

See you soon Uncle! We      You
