“ *It's been a year since you passed. You are gone, but will not be forgotten. You always had the right intentions and the heart of a lion to see things through. We were blessed to have you in our lives. My son will always remember his Papa, and the memories of you will live on through him. Wish you were here with us to see him today, but I hope from above that you do. He will always love and miss you, your grandson, Clarence Kahikina Logan.*
