“ *We have known Dori since she was small. We moved into the same neighborhood in Ewa Beach when the houses were new. She was a good friend to my daughters, playing often at our home. She and her family have remained friends since then. Our love and prayers to Rayna, Kathy and the rest of the family. Dori will be missed.*

“ I took this photo of you and Lopaka the day of Sophia's first birthday party last November. I remember how happy you were to help out and to be a part of it. I will never forget you, Dori. You were like family to us. You were a part of my family before me and Lionel were even born. You have been there with my family and I for so many birthday celebrations, holiday celebrations, family gathering's, and more throughout the years. Your smile and joyful nature were so contagious. On behalf of my Toro Ohana, we love you. We miss you. You will forever be a part if us. Rest in love, sister.

To the Northcott Ohana, we send our deepest, heartfelt condolences.
