“ *Dear Mary, Kuulei, Stan and family,  
It was a wonderful experience to treat Ms Betty's knee. Never a dull moment treating her! Very happy to have had the chance to talked with her on Jan 1st. She was frustrated that her spirit wanted to care for people but her body no longer allowed her to do so. Her spirit has triumphed and she is in Heaven watching over her family, friends and anyone else in need. Love Mike*
