“ Dear Ann:

I only learned today of George's passing. I am Mahlon Gane. If you remember me from when you were growing up in Flint, you will also remember my younger brother Howie.

We have pictures of you and Howie together near the Walker School. George and I were close friends until we each disappeared into the Second World War.

I am both surprised and saddened to learn of George's passing. If you are interested in some personal memories that I have of George. please write to me at 1730 Kala Point Drive Port Townsend, WA. 98368
