“ *I met Justin when I was taking treatment at Queens Hospital. Justin and I would go walking together and talk. We prayed for each other and shared the Lord in our talks. I am so sad that Justin is not with us anymore but he is with our Lord and Savior and there is no more pain and suffering. My deepest condolences sent to each member of his family. Justin you are a hero to all of us who are still left on earth to fight for our lives each day. My aloha to you my friend.Lynn*
