“ i miss you so much uncle i wish you didn't have to do this to yourself its really stressful and depressing without you i really miss you, and i wish you could come back to life i miss all the funny moments we would all have together with you, i love you so much. Rest in peace uncle your in a better place and i will always remember that your watching over us. and that you will always love and care for us.

“ *Kikau always gave me a kiss and hug every time I saw him. I was blessed to know the sweet wonderful young man he tended to hide.*

My heart aches at his passing but I know Families are Forever and that you will be with him one day. He is at peace now in the loving arms of Heavenly Father and with his Daddy. Sending continued prayers during this time of change.
