“ *Lifting the family in prayer as loss is so hard. Priscilla will always have a special place in our heart and we will always be thankful for how God used her to bless our lives with one of the greatest gifts ever given. We pray that each one who is left to grieve her passing has a relationship with Christ so that thru His strength this time can be full of thanksgiving for all Pricilla gave in love. “ *I am so sorry for your loss. Please know that you are never alone. You can find much comfort in the Holy Scriptures which assures us at Psalms 34:18 that God is near to those broken at heart and crushed in spirit. Please accept my deepest sympathies.*
