“ It's almost 3 weeks that you have gone home to be with the Lord, Dad and Everyone there. It sure feels like a life time since you've been gone. I miss you dearly each and Every day . I wish you were still here with us but I know that you are in a better place with no more pain and Suffering. Rejoicing and Praising the Lord and Walking the streets of gold. It's not easy for us but we are doing our best to go on with our lives and Be as strong as we can be. Thank you mom for all that you have taught me through out the years and Most of all for teaching me and My family about the Lord. I hope and Pray that one day we'll see and Be with you again. You are not only my mom but Also my mentor, My inspiration, My biggest supporter and My best friend. We have shared so many ups and Downs, Disagreements, Agruments and Fights but We have also shared so much Love, Joy and Laughter. You have taught me to be the wife, Mother, and Person I am today. So once again thank you mom and I will do my best to continue to uphold all the teachings and Memories that you have taught me and We have shared together. But most of all thank you for loving me unconditionally. I promise to make you proud in each and Every way. I love you mom always and Forever.

Your Daughter, Ehu.
