“ Me and Grama Tina would always relax with eachother and talk story 😞 When I heard she was gone I flipped out because I didnt beileve it at all... She is a strong women and I always looked up to her 💜 She was always there for me, stood up for me, told me I am strong and that I should never give up no matter what 😞 Now I lay here in bed thinking everything is gonna be okay, but I cant be strong if she aint here... Im happy that she isnt in pain no more and know she is here with us and know she loves us and will look upon us in heaven with everyone else 💜😞💜😞
